### PRIVACY POLICY

The EU project ICT4CART (“we”, “us”) consortium is committed to protect and respect your privacy. This Privacy Policy sets out the basis on which your personal data will be processed by us, in connection with the organisation of our final conference. Please read the following document carefully, to understand our views and practices regarding your personal data and how we will handle it. When you register to the final event registration form, these Privacy Policy provisions will apply to our processing of your personal data.

## PURPOSE OF DATA PROCESSING

ICT4CART Final Event has as an ultimate aim to present ICT4CART results and findings through technical presentations and video demonstrations. The physical final conference will be video recorded, in order to ease the access to a larger audience towards being available to ICT4CART social media platforms and to be a resource for others to consult at a later time. Photo material will be also collected during the event for dissemination purposes.

*For those, who do not wish to appear on the audiovisual material, a sticker will be available in front of the event room, to accompany their event badges.*

Taking into consideration the above, the ICT4CART Consortium uses information held about you in the following ways:

- To send you organisational and logistic information about the ICT4CART Final Event.
- To provide you with related material/information, as an outcome of this activity.
- To publish photos and video recordings, for dissemination purposes.

## CATEGORIES OF DATA THAT WILL BE STORED

If you consent to the processing of your personal data for the above-mentioned purposes, the categories of personal data that will be collected and stored in the ICT4CART project are:

- My first name (mandatory)
- My last name (mandatory)
- My email address (mandatory)
- My Job Title (mandatory)
- My organisation/company (mandatory)
- My face/voice (optional)

The Consortium will process the personal data of subjects according to the present statement and for the purposes declared herein.

## SECURITY OF PROCESSING

ICT4CART registration list is a secure list held on the Eventbrite platform. Should you need more information on how your data are processed, please see the Eventbrite privacy policy: [https://www.eventbrite.co.uk/support/articles/en\\_US/Troubleshooting/eventbrite-privacy-policy?lg=en\\_GB](https://www.eventbrite.co.uk/support/articles/en_US/Troubleshooting/eventbrite-privacy-policy?lg=en_GB).

The contact details as well as photos and the video recording will be safely stored at ICT4CART Redmine access-restricted repository (<https://redmine.iccs.gr/>) and will be available only to the ICT4CART Consortium partners.

Should you ever wish to unregister, and/or if you do not agree with your face and/or voice being recorded, you may withdraw your consent/opt out, any time, (without retroactive effect) by sending an email here: [v.sourlas@iccs.gr](mailto:v.sourlas@iccs.gr).

### EXERCISE OF YOUR RIGHTS

It is noted that according to the General Data Protection Regulation (Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016), you may exercise the following rights that derive from the Regulation:

- Right of access and right to rectification for inaccurate personal data
- Right to erasure of personal data if they are not necessary for service provision
- Right to restrict processing of your data
- Right to object to the processing of your data
- Right to data portability, namely, right to receive your data in a structured, commonly used, and machine-readable form so that they can be transferred to another data processor.
- Additionally, you have the right to submit a written complaint to the responsible supervisory body for personal data protection in each country.

### HOW TO COMPLAIN

We hope that we can resolve any query or concern you raise about our use of your information. The General Data Protection Regulation also gives you right to lodge a complaint with a supervisory authority, in particular in the European Union (or European Economic Area) state where you work, normally live or where any alleged infringement of data protection laws occurred.
